Our Patented Dog Earplugs Provide In-Ear Hearing Protection for Dogs

Keeps dogs anxiety-free, calm, and happy with our patented, revolutionary, vet recommended earplugs for dogs. Works in all types of loud situations: thunderstorms, fireworks, and airplane and car travel. Great for working dogs for when they are at concerts, in crowds, and gun ranges.

PROTECTS HEARING: Our patented dog earplugs provide in-ear noise suppression through a specially formulated memory foam, that when properly inserted contours to a dog's ear canal. Protecting against hearing damage.

PROVIDES CALMING EFFECT: Provides instant and reliable noise buffering for all sizes of dogs. The product is reusable and it protects a dog's hearing so they remain relaxed and calm.

SAFER THAN MEDICATION: Medication and sedatives are time consuming to get, expensive, and have unhealthy side effects. Our medical grade material technology ensures a soft fit, for dogs of all sizes

IN DEVELOPMENT: Future products include specific dog earplugs suitable for therapy dogs, hunting dogs, law enforcement, military, and search and rescue canines. Check this box if you'd like to receive updates ☐
